 Registration fee
£250
 Deposit
£1500

General description

Situated on 128-acres of Surrey countryside, 20 miles south of Central London, ACS Cobham enrolls over 1000 students aged between 2 and 18 - Early Childhood through High School - offering both the International Baccalaureate (IB) Diploma, and an American curriculum, including Advanced Placement (AP) courses.

At ACS, diversity, innovation, academic excellence and global awareness come together to create a dynamic learning community and exceptional school experience.

We create opportunities and activities that inspire our students to think in fresh, exciting ways so they reach a deeper, more nuanced understanding of the world, its citizens and their place within it. Opening our students' minds in this way enhances and energises their learning, ensuring they're ready for whatever their future holds. Our students go on to study at the finest universities in the UK including Cambridge, Oxford, Imperial, Durham, St Andrews, Queen Mary, King's, LSE and in the US including Princeton, Brown, Penn State, University of Chicago or elsewhere in the world.

ACS has over 40 years experience teaching IB, with students regularly achieving a perfect IB score - 45 points.

Our Campus features an Interactive Learning Centre, division specific libraries, a panoramic dining hall and a stunning new Performing Arts Centre with a 510 seat theatre.

Campus sports facilities include six tennis courts, an Olympic-sized track, playing fields for football, rugby and baseball and an all weather astro turf pitch with competition flood lights. A state-of-the-art Sports Centre houses a 25-metre competition indoor swimming pool, basketball/volleyball show courts, dance and fitness studios, and a café.

We boast premium boarding facilities with all twin and single en-suite rooms.
